

# CYBERSECURITY SOLUTIONS DAY

## HKIB Cybersecurity Solutions Day 2018

7th March 2018 (Wed) – N101, Hong Kong Convention and Exhibition Centre  
9:00am - 4:45pm

HKIB CPD Hours 5

### *“Digital transformation and cybersecurity”*

The Cybersecurity Solutions Day aims to gather decision makers from the financial sector and serves as a platform for direct networking between industry experts, solution providers and practitioners. Our mission is to bring insights on the latest issues and trends in cybersecurity, and food for thoughts on how to mitigate the risk of cyberattack.

The event will focus on qualitative knowledge-sharing and technology solutions for the financial and banking sector to enhance their cybersecurity preparedness as well as regulatory compliance.

With the explosive growth of digital technology and fintech, sources and complexity of cyber vulnerabilities have increased and continuously evolving. With the theme “Digital transformation and cybersecurity”, this year’s event will look at how to identify, categorize and remediate cybersecurity risks in the fintech era, in addition to the key industry trends and solutions.
