

Updates on Basel III Framework

11 & 18 August 2018

ECF AML/CFT CPD	HKIB CPD	SFC CPT
6 Hours	6 Hours	6 Hours

Objectives

This program is designed to provide the participants with an understanding of international regulatory standard and liquidity risk management and an update of Basel III released by Basel Committee on Banking Supervision in December 2010, and revised in June 2011 for enhancing Basel II capital framework in terms of standards to widen risk coverage and to raise the level and quality of capital.

Programme Outline

- History and development of Basel Accord
- Review the motives and objectives for all proposed changes to the Basel Framework
- Fundamental reform of the international regulatory framework
- Enhancing risk coverage
- New components to be included in the Basel III framework
- How banks will be affected
- Update on implementation progress

Target Audience

Risk management, compliance, internal audit, control practitioners, and banking executives who are required to implement and carry out internal guideline to comply with Basel III regulatory requirements.

Speaker

The speaker has 26 years of front and back offices risk management experience in both the U.S and Hong Kong from his involvement in interest rate and currency related trading activities at the beginning of his banking career and later through his managerial responsibilities to build the business of different branches in Asia. He also has in-depth working experience in the risk management area of the investment management business and reserve management activities of central banks.
