

Guidelines of Application for Certified AML Professional (CAMLPA) Certification

Eligibility Criteria

1. The ECF-AML/CFT is targeted at “Relevant Practitioners”, including new entrants and existing practitioners, engaged by an Authorized Institution (AI) to perform AML/CFT compliance roles in its Hong Kong operation.

The ECF-AML/CFT is not intended to capture staff performing other job functions that are incidental to AML/CFT compliance. Specifically, the following categories of staff **do not** fall within the definition of Relevant Practitioner:

- (A) Staff in AML/CFT compliance function performing solely clerical and administrative duties.
- (B) AML/CFT compliance staff in overseas branches and subsidiary undertakings of locally-incorporated AIs. It should however be noted that AIs have a responsibility to ensure relevant staff in overseas branches and subsidiaries receive adequate AML/CFT training, including those applicable in relevant overseas regulatory requirements.
- (C) Regional AML/CFT compliance staff, whether located in or outside Hong Kong, performing AML/CFT duties in the AI that are “merely incidental” to duties performed in their regional role. AIs are expected to adopt a principles-based approach and to support their decisions with sound justifications in determining whether a regional staff member falls within the definition of Relevant Practitioners or not. Appropriate regard should be given to the significance of the AML/CFT compliance role performed by the relevant staff member in the Hong Kong operations of the AI.

Details of the respective roles are classified by a two-level qualification structure (i.e. Core Level and Professional Level). Please refer to HKMA circular on ["Enhanced Competency Framework on Anti-Money Laundering and Counter-Financing of Terrorism"](#) dated 22 March 2018 for details. For cases where the applicant is an employee of a subsidiary of an AI and performing AML/CFT compliance for that subsidiary, as the applicant does not fall within the definition of relevant practitioner, he/she is not required to meet the ECF on AML/CFT benchmark.
