## **Enhanced Competency Framework for Banking Practitioners**

With an aim to support capacity building and talent development for banking professionals, the Hong Kong Monetary Authority (HKMA) works together with the banking industry to introduce an industry-wide competency framework - Enhanced Competency Framework (ECF) for Banking Practitioners.

The Hong Kong Institute of Bankers (HKIB) is the programme and qualification provider for the ECF on Credit Risk Management, with the following objectives:

- To develop a sustainable pool of credit risk management practitioners for the banking industry; AND
- To raise and maintain the professional competence of credit risk management practitioners in the banking industry.

## **Overview of the Hong Kong Institute of Bankers**

The Hong Kong Institute of Bankers (HKIB) has been serving the local banking community in the provision of professional training and certification services since 1963. HKIB is the first not-for-profit institution in Hong Kong to issue banking qualifications up to QF Level 6 under the HKQF, and was appointed by the Education Bureau as a Professional Qualifications Assessment Agency in August 2020. With an objective to maintain and further develop the territory's status as an international financial centre, the Institute works with the support of banks, regulators, financial institutions, academic institutions and various professional bodies to provide local banking practitioners with professional training and development opportunities.

In view of the changing landscape of the banking and financial services industry in Hong Kong and mainland China, as well as on a global scale, the importance of continuing to enhance the standards of professional development has gained increased attention. The HKIB endeavours to provide and enhance its training and development products in order to equip its members with essential knowledge and skills that meet the industry's needs.

## **Qualifications Framework**

The Professional Qualification "Associate Credit Risk Management Professional (ACRP)" is recognised under the QF at Level 5<sup>\*</sup>.

The Professional Qualification "Certified Credit Risk Management Professional (Commercial Lending) (CCRP(CL))" is recognised under the QF at Level 6<sup>#</sup>.

The Professional Qualification "Certified Credit Risk Management Professional (Credit portfolio Management) (CCRP(CPM))" is recognised under the QF at Level 6<sup>^</sup>.

Address : 3/F Guangdong Investment Tower, 148 Connaught Road Central, Hong Kong

## Integration of ECF Programme in Certified Banker (CB)

Certified Banker (CB) is a professional banking qualification programme developed and offered by HKIB. This common qualification benchmark is intended to raise the professional competency of banking and financial practitioners in Hong Kong to meet modern demands, while providing a transparent standard with international recognition. The "ECF on CRM (Core and Professional Level)" have already been incorporated in CB (Stage II) and CB respectively. You may refer to the CB Programme structure as below to plan for your learning path. Leaners who have obtained a pass at the relevant examination can then apply for an exemption for "ECF on CRM (Core Level) – Fundamentals of Bank Lending (M3)" of the CB (Stage II) programme and the modules "ECF on CRM (Professional Level) – Advanced Commercial Lending (M4)" and "ECF on CRM (Professional Level) – Advanced Credit Risk Management and Regulatory Requirements (M5)" of the CB programme.
