1. Introduction

A. *Benchmark for Professional*

The Certified Banker (CB) is a professional qualification developed and offered by The Hong Kong Institute of Bankers (HKIB) to help banking practitioners at all levels raise their professional standards with skills relevant for the fast-changing banking environment. It also provides a common qualification benchmark that is recognised by regulators and leading authorised institutions. It is an enhancement and replacement for the Associate of The Hong Kong Institute of Bankers (AHKIB) qualification, which was launched over two decades ago.

B. *Overview of the Hong Kong Institute of Bankers*

Since 2012, all HKIB's Professional Qualification Programmes (PQPs) have been accredited through Learning Programme Accreditation (LPA) exercises conducted by the statutory accrediting body, the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ) which are pitched at QF Levels 4 to 6 under the Hong Kong Qualifications Framework (HKQF). In 2020, the HKIB stepped forward being appointed as a Professional Qualifications Assessment Agency (PQAA) by the Secretary for Education (SED) for HKIB's nine Professional Qualifications which are recognised under the Hong Kong Qualifications Framework (HKQF) and registered in the Qualifications Register (QR). The appointment of PQAA by SED demonstrates HKIB's capability of delivering outstanding standard of professional qualification assessment in the Banking industry in Hong Kong.

C. *Qualifications Framework (QF)*

In order to ensure sustainable manpower development amidst the rapidly changing world, the Education Bureau (EDB) of the Government of the Hong Kong Special Administrative Region (HKSAR) officially launched the Qualifications Framework (QF) in Hong Kong on 5 May 2008.

The QF in Hong Kong (HKQF) is a seven-level hierarchy covering qualifications in the academic, vocational and professional as well as continuing education sectors to promote and support lifelong learning with a view to continuously enhancing the quality, professionalism and competitiveness of our workforce in an increasingly globalised and knowledge-based economy. Qualifications recognised under the QF are quality assured and level-rated in accordance with objective and well-defined standards.

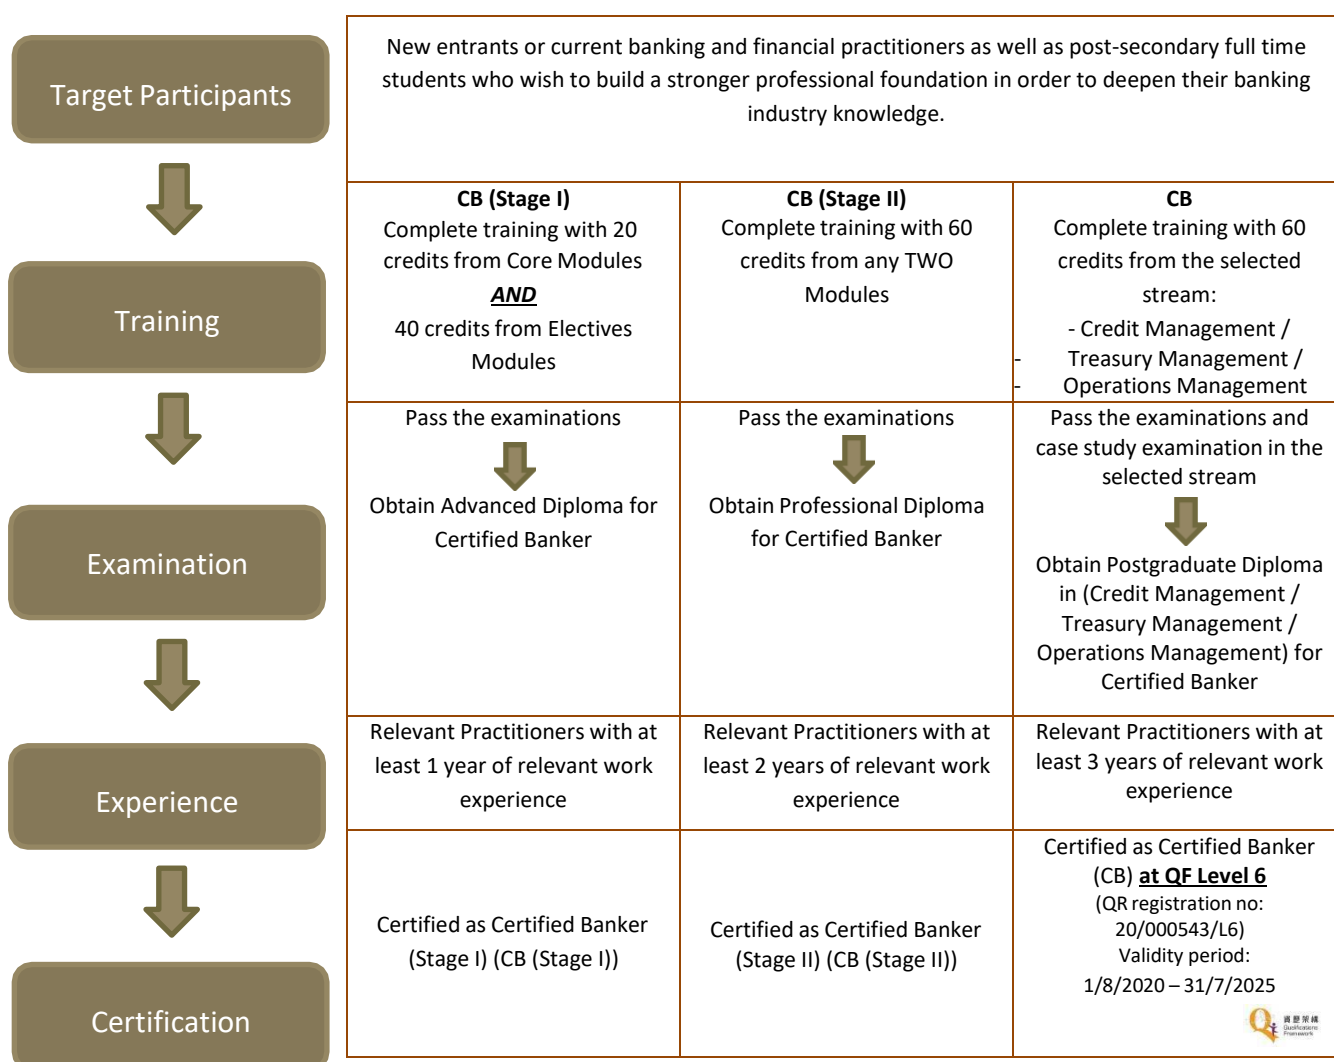

Certified Banker contains three programmes in progressive levels. Learners should attempt the programme progressively according to their academic background and related work experience. The Postgraduate Diploma for Certified Banker has been quality assured by the Hong Kong Council for Accreditation of Academic and Vocational Qualification (HKCAAVQ) and are recognized under the Qualifications Framework (QF). Their learning contents are encompassing all relevant Units of Competency (UoCs) drawn from the SCS of banking industry.

Programme	Award	Professional Qualifications
Certified Banker	Postgraduate Diploma for Certified Banker	CB (QF Level 6) (QR Registration No.: 20/000543/L6)
Certified Banker (Stage II)	Professional Diploma for Certified Banker	CB (Stage II)

1. Programme Overview - Professional Diploma for Certified Banker

A. Programme Objectives

In response to the talent development needs of the industry, HKIB provides the Professional for Certified Banker programme. The modules aim to prepare the learners to fulfil the professional competence required under the banking industry standard, the ECF.

There are two main objectives of the Professional Diploma programme:

Generalist Knowledge

The programme is developed with the objective of providing participants with generalist knowledge across different major areas of banking in order to be capable of discerning the intricacies between different operations. This is important for developing a comprehensive evaluation of impacts and risks on its own management regime and paves the way for taking up managerial positions in banks.

Evaluative Skills

Besides generalist knowledge, management of a bank also requires cognitive skills to evaluate and integrate information in a banking context. Hence, one can apply the learned skills on other disciplines in banking to his/her own regime and pave the way for the “Professional Diploma for Certified Banker” which participants will be developed into a specialist in a particular discipline of banking. As a result, HKIB launched the Professional Diploma for Certified Banker to offer a learning opportunity for banking practitioners to become a generalist.

B. Programme Intended Learning Outcomes

Upon completion of the Programme, learners should be able to:

- ✚ Evaluate and integrate key theories / knowledge in a major discipline of banking in order to design strategies for achieving the business goals and objectives;
- ✚ Analyse information provided by the bank’s customers, different banking units or other sources in order to assess and identify critical issues for successful implementation of the strategies (e.g. inherent risks, changes in the banking environment, the needs of different stakeholders, etc.); and
- ✚ Manage execution and exceptional issues during the implementation of the bank’s strategies by developing a solution / management plan after appraising the situations, potential risks, the changing banking environment, etc

4.1 Green Finance and Sustainability (GFS)

A. *Module Objectives*

This module aims to develop candidates' comprehensive knowledge, skills and understanding relating to green finance and sustainability and the relationship between green and sustainable finance and ESG. With the study of internationally-recognised as well as local banking principles and practice in the full spectrum of green finance and sustainability, together with guidelines from local regulator and case studies, learners will be able to understand how to help bank deliver its strategy, perform well at work, serve customers, communities and the wider environment to manage climate-related risk, and support the transition to a low-carbon and sustainable world with the provision of green and sustainable finance.

B. *Module Intended Learning Outcomes*

Upon completion of this module, learners should be able to:

- ✚ Assess the latest development, governance factors, good practices and market trends in Green Finance and Sustainability to meet the transformation and changing needs in the banks and financial institutions;

4.2 Corporate Finance Services

A. *Module Objectives*

Corporate finance bankers nowadays may also act as advisors to provide specific corporate finance applications, by helping corporations analyze their financing needs and to recommend tailored-made solutions. This module contributes to the achievement of the Programme Intended Learning Outcomes by drawing learners' attention to the market segments where the financing needs of corporate borrowers are identified, before applying their knowledge to discuss the different financing alternatives for customers under different situations. Together with the considerations for risk management options in the corporate financing market, the topics covered in this module serve to equip the learners with the necessary techniques for the next stage of studies under the CB programme, such as "Bank Lending", "Credit Risk Management", "Treasury Markets and Operations"

B. *Module Intended Learning Outcomes*

Upon completion of this module, learners should be able to:

- ✚ plan and design an appropriate package of credit solutions and capital-raising strategies to meet the domestic or international financing needs of customers in different markets;
- ✚ identify and assess the risks involved in corporate financing transactions to both the borrower and the financier;
- ✚ consolidate the risk issues in corporate finance and construct strategies to deal with the issues for discussion with peers of all levels.

C. *Assessment Method*

- ✚ Examination: 50-60 Multiple Choice questions and TWO Essay questions out of THREE
- ✚ Passing mark for this module is 60%.

5.5 Banking Law and Practice

A. *Module Objectives*

This module contributes to the achievement of acquiring an advanced level of knowledge and skills embedded in the Programme Intended Learning Outcomes by helping the learners develop a multi-perspective evaluation over bankers' rights and duties not only in banker-customer relationship, but also in internal areas of banking operations that support bankers' external functions. By discussing account conducts and the respective strategies of management, the learners are expected to enhance their cognitive skills of evaluation over the internal and external problems. Such competence and attribute would be strengthened by a thorough application of legal knowledge to different levels of banking operations.

B. *Module Intended Learning Outcomes*

On completion of this module, learners should be able to:

- ✚ critically assess the implications of the current law and practice governing banker's roles in banker-customer contractual and non-contractual relationships;
- ✚ analyze critically the bank's duty in different types of accounts and account conduct in banking operations under the framework of banker-customer relationship;
- ✚ evaluate critically the law related to security which commonly accepted by the banks;
- ✚ communicate and assess the consequences of undertaking bankruptcy proceedings to the bank and customer in relation to bank's bad debt collection procedures.

C. *Assessment Method*

- ✚ Examination: Part I – Case Study question
Part II – THREE Essay questions out of FIVE
- ✚ Passing mark for this module is 50%.
- ✚ Time allowed: 3 hours.

5.6 Operational Risk Management

A. *Module Objectives*

This module contributes to the achievement of the knowledge and skills embedded in the Programme Intended Learning Outcomes by integrating theory and real-life experience on a wide range of topics related to operational risk management. By utilizing tools and resources available, the learners would have an opportunity to develop research skills to map the latest market standard with internal operation. Such skills are crucial for shaping up the internal operations of an organization to meet external challenges, and they would enhance the learners' competence to develop investigative strategies which are vital for both individual and organizational development.

B. *Module Intended Learning Outcomes*

On completion of this module, learners should be able to:

- ✚ critically evaluate the performance of a wide range of operational functions related to product, services and process operations in the perspectives of operational risk management;
- ✚ exercise judgment in day-to-day management work activities to distinguish the nature of risk in operations functions and operational functions issues to formulate risk management solutions in compliance with regulatory requirement;
- ✚ propose justified solutions and recommendations on operational functions enhancement based on analysis and synthesis of relevant information.

C. *Assessment Method*

- ✚ Examination: Essay Questions
- ✚ Passing mark for this module is 50%.
- ✚ Time allowed: 3 hours.

6. Learning Support

HKIB Resources Corner Support

The Resources Corner situated at the premises of the Institute provides the required learning resources for study. Copies of Supplementary, Essential and Further Readings are available in the HKIB Resources Corner for borrowing.

Candidates are encouraged to prepare the examinations by acquiring relevant market information and module knowledge through various channels, e.g. reference readings, business journals, websites etc. Candidates should be aware that such market information may be important and pertinent to the examinations.

E-learning Resources

HKIB also supports the E-learning. More than 500 courses are organized into 51 course libraries spanning about 700 hours of E-learning, covering areas of Banking, Accounting, Insurance and Risk Management. Topics range from basic financial concepts like “Understand Financial Statement” to complex topics like “Value at Risk” and an in-depth exploration of Financial Risk Management and Derivatives. It aims to provide further and recommended readings to learners on top of their in-class training materials to expand their self-study sources. For more details, please refer to HKIB website.

Market Information Updates

The Institute regularly organizes training courses, seminars and luncheon talks on current issues and developments in financial markets that candidates may find essential, helpful and relevant to their learning.

7. Programme Enrolment

A. Programme Schedule

For the latest information on the programme enrolment period and programme schedule, please contact the HKIB staff or refer to the HKIB website at <http://www.hkib.org>.

B. Medium of Instruction

Teaching materials and assessment are in English while the training is conducted in Cantonese (unless otherwise specified).

Training Programme Mode	Lecture		
Training Duration	9 hours ¹	15 hours	30 hours

D. Learning Effort

Candidates are advised to spend for each module:

- i) Advanced Diploma: 100 learning hours²; OR
200 learning hours (for ECF module only)
- ii) Professional Diploma: 300 learning hours
- iii) Postgraduate Diploma: 300 learning hours

¹ For the elective module *ECF on AML/CFT (Core Level)*, learners can select 6 or 15 training hours based on their needs. For more details, please refer to the AML/CFT Certificates Handbook.

² Learning time refers to the amount of time an average learner is expected to take to complete all learning pertaining to the module / programme, and achieve the learning outcomes of the module / programme. It includes time spent on all learning modes and activities, such as lectures, laboratories, workshops, guided learning, self-study, projects, assignments and assessments. Learning time is expressed in learning hours, and includes contact hours, self-study hours and assessment hours.

E. Programme Application

- + Applicants can obtain the application form: (i) from the HKIB website; or (ii) in person from the counter of HKIB Office during office hours
- + The information provided on the application form must be true and clear. Completed application forms can be returned by email, by hand or by registered mail (to avoid being lost in transit) on or before the corresponding enrolment deadline. Module	Examination Question Format	Duration	Passing Mark
Advanced Diploma Modules	 Multiple Choice Questions	1.5 hours (2.5 hours for ECF module)	70%
Professional Diploma Modules	 Multiple Choice Questions  Essay Questions / Case Study	3 hours	60%
Postgraduate Diploma Modules	 Essay Questions	3 hours	50%
Case Study Examination	Case study examination  Individual Written Report  Case Study Questions	6 weeks 3 hours	50%

To attain the Postgraduate Diploma in a specialist stream, candidates are required to obtain a pass in the Case Study Examination of the respective stream upon completion of TWO Postgraduate Diploma modules in the same stream.

Case Study Examination

Prerequisites

Completion of the two specialist modules in the selected stream

Objectives

The objective of the postgraduate diploma programme is to equip candidates with comprehensive conceptual and practical knowledge in a specialized area of banking and develop candidates with research skills to adopt an analytical approach in developing strategies to tackle different scenarios that may arise in real-life situation. Therefore, the Case Study Examination is to test whether a candidate can consolidate and evaluate the wide range of complex concepts, models and specialized skills in a discipline and apply them in real-life scenarios.

Highlight

The Case Study Examination consists of two parts: Individual Written Report and On-Site Examination.

Candidates will receive the "Examination case: Pre-seen examination information" document 6 weeks

prior to the examination. To produce the Individual Written Report, candidates are required to critically analyse the scenario depicted in the case(s), conduct research to gather relevant information and extend cross-discipline knowledge acquired in the two specialist modules to the case(s).

For the onsite examination, candidates are allowed to take all references listed in the Supplementary/Essential/Further Readings and all relevant training materials of related modules of CB and CCRP in paper format only, including all distributed lesson PowerPoint, notes and all kinds of facilitation materials. Anything outside of this list is not allowed. An invigilator will check the materials brought into the examination centre for appropriateness. Candidates are not permitted to access the internet for web-search and references purpose.

During the On-Site Examination, the examination questions, extended case scenarios and additional information about the pre-seen examination case will be provided. Candidates have to carefully study the case information to identify the problems and make the analysis based on the study material and case facts.

Assessment Method

Individual Written Report (40%)

✚ Passing mark: 50%

On-Site Examination (60%)

✚ Passing mark: 50%

✚ Time allowed: 3 hours.

✚ Format: Open book examination.

Candidates must submit an Individual Written Report, attend the On-Site Examination and pass both assessments.

B. Grading

- ✚ Any request for such arrangements may result in an additional charge.

I. Examination Preparation

- ✚ Candidates who have enrolled in the examination are required to study all the essential, recommended and further reading materials, if applicable, as part of their examination preparation.

J. Examination Results

- ✚ Candidates will receive their results slip by post within two to four weeks for CB (Stage I) from the examination date, six to eight weeks for CB (Stage II)/CB from the examination date of the last module of the exam diet.
- ✚ Results will not be revealed by telephone or email.
- ✚ Candidates may check their examination results online through the HKIB online platform. Candidates will receive email notification once the examination results are available. The online examination results will be removed one month after they are released.
- ✚ Results will be withheld from candidates who have not paid in full any monies due or payable to the Institute, including but not limited to examination enrolment fees.

K. Examination Results Review

- ✚ Candidates may request rechecking or remarking of their examination scripts within one month after the issue of examination results, by submitting a written request. An administrative fee may apply. Please contact HKIB staff for details.
- ✚ Rechecking is applicable to all examinations. Answer sheets are rechecked for technical errors such as incorrect mark entries.
- ✚ Remarking is only applicable to the case study examinations and examinations that involve essay questions. Remarking is not applicable to MC questions. The answer scripts will first be checked for technical errors. Each script will then be remarked by an independent marker. If the mark given by the marker differs from the original mark and leads to an upgrade of result, the script will be remarked by a second marker. Remarking is conducted by persons other than the original markers. The final mark of the examination is calculated by averaging out all valid marks given by the original markers and the marker(s).
- ✚ Regardless of the results of rechecking, candidates cannot apply for remarking of a module for which they have applied for rechecking.

- ✚ HKIB charges an administration fee of HKD500 per module for rechecking and HKD4000 per module for remarking. All payments are non-transferrable and non-refundable. However, if the rechecking or remarking leads to an upgrade of result, the fee will be refunded to the candidate concerned.
- ✚ After the answer scripts are rechecked or remarked, the results will be passed to Examination Team Head for review and approval. The decision of Examination Team Head is final.
- ✚ Candidates will be informed of their rechecking or remarking results by post and only with written notice within TWO MONTHS after receipt of the request.
- ✚ Candidates will not be given a copy of their marked answer scripts.

L. General Examination Regulations

- ✚ An examination is governed by the regulations in force at the time of the examination and not by the regulations in force at the time of enrolment, in case of any discrepancies between the two sets of regulations.
- ✚ On all matters concerning the interpretation of the regulations, the Professional Standard and Examination Board of the Institute has the final discretion.
- ✚ The examinations are conducted in English.
- ✚ For all multiple choice questions, candidates must use HB/2B pencil to answer the questions on the Answer Sheets.
- ✚ For essay questions and the case study questions in Case Study Examination, questions must be answered in English.
- ✚ The Individual Written Report of the Case Study Examination must be submitted in English.
- ✚ The examinations will be conducted and invigilated by responsible persons appointed by the Institute.
- ✚ Candidates should arrive at the examination venue at least 15 minutes before the start of the examination. Candidates must not enter the examination room until instructed to do so.
- ✚ Candidates are not allowed to sit for the examination if they are unable to produce the Attendance Notice/valid identification document, or the identification document does not contain a clear and current photograph of the candidate.

- ✚ All examinations will begin at the time stated on the Attendance Notice. Latecomers may be admitted during the first 30 minutes of the examination, but extra time will not be given to compensate for any time lost.
- ✚ Smoking, eating and drinking are not allowed in the examination room. All mobile phones and other electronic devices including smart watches must be switched off.
- ✚ All bags, books and other personal belongings must be placed in a location advised by the invigilator, before the examination begins.
- ✚ If you need to go to the toilet during the examination, you should seek permission from an invigilator. An invigilator will accompany you and you must NOT carry any mobile phones, other electronic devices, question books, answer sheets or paper to the toilet.
- ✚ Candidates must use only silent and non-programmable calculators. Invigilators have the right to prohibit candidates from using any unauthorized calculators. No other aids, such as books, dictionaries, computers (e.g. notebooks, PC tablets), and papers, are permitted in the examination. No draft paper will be provided during the examination. Rough workings or notes should be made on the question book and will not be marked.
- ✚ The packets of question papers will be opened in the presence of the candidates before the start of the examination. Candidates should remain silent and are not allowed to communicate with other students during the examination. Candidates interfering with the proper conduct of the examinations will be warned by the invigilator or expelled from the examination room in a serious case. In such circumstances, a report will be submitted to the HKIB to consider whether disciplinary action will be taken. Disciplinary action includes, but is not limited to, candidate disqualification.
- ✚ Candidates cannot leave the examination centre during the first 45 minutes and the last 15 minutes of an examination. Candidates who decide to leave early must notify the invigilator as quietly as possible, and will not be allowed to re-enter the examination centre.
- ✚ Candidates are not allowed to communicate with other candidates during an examination. They are also prohibited from communicating with third parties outside the examination centre by using any electronic device. The invigilator has the right to expel candidates from the examination centre if their behaviour interferes with the proper conduct of the examination. Any candidate who attempts to copy from another candidate's script or any other source will be disqualified.
- ✚ Candidates must stop writing when instructed to do so by the invigilator at the end of examination.
- ✚ Candidates must not detach any part of their answer sheet, or remove their answer sheet, whether wholly or partly, from the examination room.

If any candidate infringes any of the above regulations for the conduct of the examinations, he/she will be reported to the Professional Standard and Examination Board of the Institute and will be liable to disciplinary actions, including disqualification.

M. Examination Prize Awards

Module Prize and Freshman Prize are awarded to best performed candidates in each diet.

Module Prize

Module Prize is awarded to the candidate who has achieved the highest mark among all candidates of that module, and has obtained at least a Pass with Credit. The prizes are sponsored by Banks.

Appendix: Privacy Policy Statement

Our Policy

HKIB will ensure all staff fully comply with the data protection principles and all relevant provisions prescribed under the Personal Data (Privacy) Ordinance. Throughout this policy, the meaning of the term “personal data” is as defined in the Ordinance. The personal data provided by the Individuals (including but not limited to current and archived members, non-members, participants, candidates, job applicants, professional service providers, such as trainers, examiners, moderators, writers, reviewers, in our activities or services) will be used for administrative and communicative purposes relating to the services delivered. HKIB cares about Individuals’ personal data privacy interests and takes that seriously. This Privacy Policy Statement describes the practices related to personal data matters. Individuals are advised to read it to understand their rights and obligations in respect of the supply of personal data to HKIB and the ways in which HKIB may use or handle such data.

For what purpose do we collect your personal data?

HKIB collects personal data from Individuals for the purposes of providing services and/or dealing with matters relating to membership, training programmes, recruitment, examinations, certification, exemption, grandfathering, events and other activities, which are organised wholly or in part, or supported by HKIB.

What we collect?

The personal data is supplied either by the Individuals themselves or from external sources, including but not limited to, employers, service or learning providers; third parties that are otherwise affiliated to the service in which individuals are involved, and who may provide HKIB with relevant information on their employees, members and/or students; and members of the public. The personal data may include personal particulars, job profile, working experience, education background, professional qualifications, continuing professional development records and any other relevant information directly related to the required services offered by HKIB.

How the collected personal data will be used

HKIB is professionally obliged to process the personal data fairly, confidentially and lawfully. Nevertheless, as part of its operations, HKIB may compare, transfer or exchange the Last updated: 6 April 2022 2 provided data with the data already in HKIB’s possession, or obtained hereafter by HKIB, for the purposes, or any directly related purposes, for which the personal data are collected.

Some data may also be used for the following purposes during registration and/or payment:

- To verify Individuals’ identities;
- To fulfil Individuals’ specific requests, applications or enrolments relating to our services;
- To verify Individuals’ employment history and references;
- To administer and deliver information about the service;

- To maintain and process examination marks and results, if any;
- To process and handle Individuals' complaints, enquiries, feedback or irregularities, if any;
- To maintain Individuals' records;
- To conduct research or statistical analysis;
- To release information to relevant third parties on whose behalf HKIB administers, conducts or organises services, and to any third party that HKIB engages to administer and/or conduct services for and on behalf of HKIB;
- To promote and provide various HKIB member services to Individuals;
- To serve other purposes as permitted or required by law; and
- To serve any other purposes as may be agreed between the Individuals and HKIB.

In addition, Individuals' communications with HKIB, including online/Chatbot, by email, by text message (SMS), via HKIB's customer hotline or otherwise, may be recorded and retained for training and record-keeping purposes. Records may be used to monitor the quality of the assistance given and to verify the matters discussed.

To whom we may disclose your personal data

The personal data provided may be disclosed to third parties who help us provide services or support to you or who act for us. When personal data is provided to a third party, the personal data will only be transferred to such a third party that respects privacy and is under a duty of confidentiality to us and/or who has undertaken to keep such information confidential.

HKIB will do its best to ensure the compliance with the Personal Data (Privacy) Ordinance by providing guidelines to and monitoring the compliance of the third parties.

The personal data may also be disclosed to agencies or organisations relating to law enforcement, tax authorities, and other relevant regulatory/government/judicial bodies in Hong Kong or elsewhere as permitted or required by law.

At times it may be necessary and prudent for HKIB to transfer certain personal data to places outside Hong Kong SAR, in order to carry out the purposes, or directly related purposes, for which the personal data were collected. HKIB will ensure appropriate security measures for personal data are in place and the individuals will also be well informed in advance for such requirement and arrangement.

Direct marketing

HKIB may use your personal data in accordance with the Ordinance to send you details about the products, services and offers provided by us and relevant information from related parties for your reference or interest. Your data will not be shared with third parties for them to market their products and services to you directly without your expressed consent beforehand.

If you decide not to receive any of the optional updates from HKIB, such as E-news or any standalone external industry events, you may make this election at any time by sending an email to the HKIB email address: cs@hkib.org, or annually upon renewal of your membership.

Data retention

Unless otherwise agreed, hard copies of any documents containing Individuals' personal data that they have provided to HKIB become the property of HKIB. HKIB will destroy any documents it holds in accordance with its internal policy and applicable laws and ensure personal data is not kept longer than is necessary for the fulfilment of the purpose for which the data is or is to be used.

Personal data will be retained only for such period as may be necessary for carrying out the purposes stated in this policy or as otherwise specified at the time of collection. In some circumstances, HKIB may retain certain records for other legitimate reasons, including to resolve any potential disputes, if applicable, and to comply with other reporting and retention obligations.

Data security

HKIB recognises the sensitive and highly confidential nature of much of the personal data that it handles and maintains a high level of security in its work. HKIB adopts appropriate security measures to maintain, monitor, control and protect the security of all personal data, both as hard copies and in computer-readable form.

Cookies on websites

Cookies are small pieces of information, stored in your browser's memory by our websites. When you browse our website, you should be aware that cookies are used. Our website automatically installs and uses cookies on your browser when you access it. The purpose of using cookies is to help us improve website performance and user's experience via analysing the number of visitors to this site/app, general and your personal usage patterns.

You may access or correct your personal data

Individuals are required to keep HKIB informed of any changes in their personal data once they have started to use the services offered by HKIB.

Individuals have the right, under the Personal Data (Privacy) Ordinance, to request access to, or correction of any data provided by them as per the manner and limitations prescribed therein. As this Ordinance allows, HKIB has the right to charge a reasonable fee for processing any request for data access.

Individuals who request access to data or the correction of their data should do so in writing to HKIB by using HKIB's email address: cs@hkib.org.

With whom you can enquire about our policies and practice

Individuals can contact the Institute hotline (852) 2153 7800 or email address cs@hkib.org for any enquiry or send the request to HKIB office address: 3/F, Guangdong Investment Tower, 148 Connaught Road Central, Sheung Wan, Hong Kong in writing.

Amendments

HKIB reserves the right to change or modify its privacy policy from time to time. We encourage you to check our Privacy Policy Statement occasionally on our website to ensure that you are aware of the most recent version.
