Objective

The National Development and Reform Commission and the governments of Guangdong, Hong Kong and Macau signed the Framework Agreement on Deepening the cooperation in the development of the Guangdong-Hong Kong-Macao Greater Bay Area (GBA) in July 2017. Since then, the banking industry in Hong Kong can further unleash various opportunities in the GBA with respect to offshore RMB business, cross-border capital markets, green finance, and bond market etc.

This course objectives will include the overview of the GBA policies and economic background of the cities in the GBA, current trends and development of the financial service industry, banking and investment products, the adoption of financial technologies, and related risks and opportunities in the GBA.

Target Audience

01 Banking Practitioners

New to bank Relationship Managers, Product Managers dealing with corporate and individual clients. It is also suitable to the entry-level practitioners in any banking functions.

SPEAKER

Key Description

The speaker is the Head of the Institute of Risk Management and Asia Financial Risk Think Tank. He has experience in Risk Management (financial and non-financial risk), Operations, Finance, Control and Technology across various types of banks, Hedge Fund, Asset Management, General/Life Insurance and Management Consultancy Practice. He is also an Author of various journals and articles on the topics of GBA.
