Key Roles/ Responsibilities
Role 2: IT Risk Management and Control
<ol style="list-style-type: none">1. Assist management in developing processes and controls to manage IT risks and control issues.2. Assist in communicating the risk management standards, policies and procedures to stakeholders.3. Apply processes to ensure that IT operational and control risks are at an acceptable level within the risk thresholds of the bank, by evaluating the adequacy of risk management controls.4. Analyse and report to management, and investigate into any non-compliance of risk management policies and protocols.
Role 3: IT Audit
<ol style="list-style-type: none">1. Assist in the execution of audits in compliance with audit standards.2. Assist in the fieldwork and conducting tests.3. Assist in evaluating data collected from tests.4. Document the audit, test and assessment process and results.5. Ensure appropriate audit follow-up actions are carried out promptly.

Please refer to HKMA's circular on "[Enhanced Competency Framework on Cybersecurity](#)" dated 10 Jan 2019 for more details.

2. Other Certification Requirements

The Relevant Practitioner is also required to fulfil the following requirements:

- Completed the training programme and passed the examination for the Core Level; and
- Currently performing cybersecurity function (e.g. IT Security Operations and Delivery, IT Risk Management and Control, IT audit)

Guidelines of Certification Application for Associate Cybersecurity Professional (ACsP)

B. Application Procedure

1. Please follow the application procedure as below:

- (a) Complete all the necessary fields in the relevant Certification Application Form for ECF-Cybersecurity, including applicant's signature and HR endorsement in relevant sections.
 - For Core Level: CSP-G-007
- (b) Obtain endorsement from the Human Resources Department (HR) of the concerned Authorized Institution(s) with signature of Head of HR or equivalent and company chop on the Annex of Certification Application Form – HR Department Verification Form on Key Roles/Responsibilities for Cybersecurity Practitioners. Applications can only be accepted with HR endorsement included.
- (c) Applicants are required to fill in **ONE** completed HR Verification Form for **EACH** relevant position/ functional title in the application.

Als are expected to support their staff's application for grandfathering and certification. Regarding information related to a Relevant Practitioner's previous employment(s), current employer is encouraged to provide necessary assistance to Relevant Practitioners in the latter's applications for grandfathering or ECF certification (e.g. by confirming whether such information is consistent with the curriculum vitae provided by the Relevant Practitioner at the time of job application).

If required, the HKIB may request applicants to provide employment records or additional information to substantiate their applications for grandfathering.

- (d) Read [Privacy Policy Statement](#) set out on HKIB's website before submitting applications.
- (e) Send the completed Certification Application Forms with HR department's endorsement, relevant supporting documents (e.g. certified true copies of your HKID / Passport, copies of your examination result for Advanced Certificate for ECF-Cybersecurity), payment evidence to HKIB within the required time frame.

“Certification Application for ACsP”

Department of Professional Assessment and Certification

The Hong Kong Institute of Bankers

3/F Guangdong Investment Tower

148 Connaught Road Central, Hong Kong

Note: Please ensure sufficient postage is provided when sending out the required documents.

Or you can complete and submit the e-Form in the Application and Info Centre on our website: <https://www.hkib.org/page/126>.

6. Approval and Election

- (a) The certification processing time, including the election process done by HKIB committee members, will require **approximately 2 months**.
- (b) Upon the successful completion of the certification process, ACsP holders will be registered as Certified Individuals (CI) and be included in a public register on HKIB’s website. HKIB will also grant the holder a professional membership. ACsP Professional Qualification holders are then entitled to print the Professional Qualification on their business cards and curriculum vitae to signify their professional excellence.
- (c) Besides, the professional qualification holders’ names will also be presented on HKIB website and published in the Institute’s journal “Banking Today” and Annual Report.

Guidelines of Certification Application for Associate Cybersecurity Professional (ACsP)

C. Recertification Arrangement

1. Subject to HKIB membership governance, if the applicant wants to apply for or maintain his/her ACsP Professional Qualification, he/she is required to maintain a valid membership status with HKIB. The applicant must also be the Relevant Practitioner who has met the annual continuing professional development (CPD) requirement and pay the annual renewal of certificate fee.
2. ACsP holders are bound by the prevailing rules and regulations of HKIB. They must abide by HKIB's rules and regulations as per the HKIB Members' Handbook. ACsP holders are required to notify HKIB of any material changes in their applications for certification, including their contact details. HKIB may investigate the statements ACsP holders have made with respect to their applications, and that they may be subject to disciplinary actions for any misrepresentation (whether fraudulent and otherwise) in their applications.
3. To maintain ongoing professionalism and standards, ACsP holders are required to undertake a minimum of **20 CPD hours** each year, and a minimum of **120 CPD hours** over every 3 years period.
4. The renewal of ACsP certification is subject to fulfilment of the annual CPD requirements starting from the calendar year (**from 1 January to 31 December**) following the year of certification.
5. The CPD requirements are waived in the first calendar year (ending 31 December) of certification.
