1. Introduction

With the aim of supporting capacity building and talent development for banking professionals, the Hong Kong Monetary Authority (HKMA) has been working together with the banking industry to introduce an industry-wide competency framework - “**Enhanced Competency Framework (ECF) for Banking Practitioners**” in Hong Kong.

Since the implementation of ECF in 2018, various programmes for different job functions in banking industry have been developed and integrated into The Hong Kong Institute of Bankers' ("HKIB") flagship Certified Banker (CB) Programme which offer generalist, specialist, and strategic topics. The rationale for putting all programme under one professional banking qualification is to promote an industry-based common qualifications benchmark. While ECF programmes offer "role-based" knowledge and certification to relevant practitioners, CB is offering a vocational qualification pathway for further career advancement, being continuously enhanced to nurture more holistic banking professionals and ultimately, supporting the industry to develop a continuous learning culture and a sustainable talent pool so as to maintain the competitiveness of Hong Kong as an international financial centre.

The Enhanced Competency Framework on Compliance (hereinafter referred to as “ECF-Compliance”) was introduced to develop a sustainable pool for the banking industry. The qualification structure of the ECF-Compliance comprises two levels: Core Level and Professional Level, targeting entry level and junior level staff and staff taking up middle or senior positions in Compliance-related job roles.

As the programme and qualification provider of the ECF-Compliance, The Hong Kong Institute of Bankers (HKIB) has developed the learning programme – the “**ECF-Compliance (Core Level)**” to help individuals attain the Core Level of the competency standards set for the ECF-Compliance. The programme “**ECF-Compliance (Professional Level)**” helps individuals attain the Professional Level of the competency standards.

This Handbook provides programme details and relevant information for the learner who wants to complete the ECF-Compliance training and examination with the intent of obtaining the Professional Qualifications of “**Associate Compliance Professional (ACOP)**”, “**Certified**

Compliance Professional - General Compliance Stream (CCOP(GC))” or “Certified Compliance Professional – Investment and Insurance Compliance Stream (CCOP(IIC))”.

For more details related to the ECF on Compliance, please refer to the [Guide to Enhanced Competency Framework on Compliance](#) issued by HKMA dated 27 September 2022 or you may visit [HKIB’s ECF on Compliance webpage](#).

2. Background

2.1. Aims

The aims of the ECF-Compliance are twofold:

- (i) To develop a sustainable talent pool of compliance practitioners for the banking industry; and
- (ii) To raise and maintain the professional competence of existing compliance practitioners in the banking industry.

2.2. Competency Standards

They are set at two levels:

Core Level – This level is applicable to entry to junior level staff with less than 5 years of work experience in the compliance function.

Professional Level – This level is applicable to middle to senior level staff with 5 years or more of work experience in the compliance function.

2.3. Scope of Application

The compliance function of an Authorized Institution (“AI”) ensures that it adheres to the laws, regulations and guidelines relevant to its business processes. The fast-evolving regulatory landscape has heightened the need for a sound compliance function to support an AI in navigating its responsibilities and avoiding regulatory actions and fines. Within the compliance function, the practitioners’ responsibilities can typically be segregated into three components:

- (i) Compliance risk governance
- (ii) Identify and assess
- (iii) Monitor

Depending on the organisational structure and the assignment of roles and responsibilities within an AI, these activities may be housed under a business unit solely dedicated to compliance function or as part of a wider legal and compliance function. A strong firm-wide focus on ethics and responsibility, coupled with a firm commitment to upholding compliance principles, and having adequate resources to support those principles are important characteristics of a good compliance function.

The ECF-Compliance is intended to apply to staff whose primary responsibilities involve performing the compliance function (other than AML/CFT compliance) within an AI. Specifically, it is aimed at “Relevant Practitioners (RPs)” located in the Hong Kong office of an AI who perform the compliance job roles as listed in the table below.

	Role 1 - General Compliance	Role 2 - Investment and Insurance Compliance
Responsibilities	<ul style="list-style-type: none"> • Assist senior management in meeting their responsibility in terms of understanding, monitoring, and managing compliance related matters • Establish compliance review programmes to ensure compliance with applicable legal and regulatory requirements and codes of conduct • Handle non-compliance issues and monitor the remedial actions taken • Develop and implement transactions monitoring and surveillance infrastructure on general banking activities • Maintain communication with internal stakeholders and liaise with regulators to understand potential risk areas and monitor regulatory developments • Provide training and advice to the business units on compliance related matters 	<ul style="list-style-type: none"> • Report to and advise senior management on matters concerning compliance with relevant regulatory requirements including sales suitability, financial need analysis requirements and cross border selling restrictions • Investigate suspicious activities and handle non-compliance incidents whilst monitoring the remedial actions taken • Provide regulatory advice and analysis (and raise queries where appropriate) in relation to the life cycle of investment and insurance products • Develop and implement transactions monitoring and surveillance infrastructure on investment and insurance business activities • Liaise with local regulators on a regular basis to ensure open lines of communication, maintain reporting obligations and handle requests

For more details about the key tasks, please refer to Annex 1 - ECF-Compliance: Key roles and tasks for Relevant Practitioners of the HKMA [Guide to Enhanced Competency Framework on Compliance](#).

2.4. Certification and Public Register

There are three Professional Qualifications under the ECF-Compliance:

Core Level

Associate Compliance Professional (ACOP)

A Relevant Practitioner may apply to HKIB for the professional qualification certification if he or she:

- (1) has completed all the three Core Level training modules (Modules 1 to 3)** and obtained a pass in the relevant examination of each; or
- (2) is grandfathered based on the required work experience upon the launch of the Core Level module and employed by an AI at the time of application.

*** Module 1 and Module 2 are identical for both ECF on Operational Risk Management and ECF on Compliance. Hence, an RP who has completed Module 1 and/or Module 2 under either of these ECF streams will not be required to complete the same module(s) under the other ECF stream.*

Professional Level

Certified Compliance Professional (General Compliance Stream) (CCOP(GC))

A Relevant Practitioner may apply to HKIB for professional qualification certification if he or she:

- (1) has completed Module 4 of the ECF-Compliance Professional Level training programme and obtained a pass in the relevant examination of each module on top of the Core Level qualification plus at least 5 years (should be accumulated within the 10 years immediately prior to the date of application for certification) of relevant work experience in general Compliance function as specified in “Annex 1 of HKMA’s Guide to ECF-Compliance”; or
- (2) is grandfathered based on the required work experience upon the launch of the Professional Level module and employed by an AI at the time of application.

Certified Compliance Professional (Investment and Insurance Compliance Stream) (CCOP(IIC))

A Relevant Practitioner may apply to HKIB for professional qualification certification if he or she:

- (1) has completed Module 4 and 5 of the ECF-Compliance Professional Level training

programme and obtained a pass in the examination of the relevant modules on top of the Core Level qualification plus at least 5 years (should be accumulated within the 10 years immediately prior to the date of application for certification) of relevant work experience in investment and insurance compliance functions as specified in “Annex 1 of HKMA’s Guide to ECF-Compliance”; or

- (2) is grandfathered based on the required work experience upon the launch of the Professional Level module and employed by an AI at the time of application.

For details regarding grandfathering requirements, please refer to [Guidelines of Grandfathering Application for ECF-Compliance](#) in HKIB [ECF on Compliance webpage](#) and section 7 of the HKMA [Guide to Enhanced Competency Framework on Compliance](#).

By going through HKIB certification process successfully, the respective certification holders are then registered as Certified Individuals and included in the public register on HKIB website. HKIB will also grant the certification holders a professional membership of HKIB.

2.5. Annual renewal of certification and CPD Requirements

The ECF-Compliance certification is subject to annual renewal by HKIB. Certification holders are required to meet the annual Continuing Professional Development (CPD) requirements and pay an annual certification fee to renew the certification.

For the Core Level qualification, a minimum of 10 CPD hours is required for each calendar year (ending 31 December), of which at least 5 CPD hours should be on topics related to compliance, legal and regulatory requirements, risk management and ethics.

For the Professional Level qualifications, a minimum of 12 CPD hours is required for each calendar year (ending 31 December), of which at least 6 CPD hours should be on topics related to compliance, legal and regulatory requirements, risk management and ethics.

Any excess CPD hours accumulated within a particular year cannot be carried forward to the following year.

No CPD is required in the first calendar year when above certification(s) is granted. The CPD requirement starts in the following calendar year.

Please refer to the [Overview of HKIB CPD Scheme](#) and [HKIB CPD Requirements webpage](#) for more details.

3. ECF-Compliance (Core Level) Programme Overview

3.1. Entry Requirements

The Programme is open to members and non-members of HKIB. Learners must fulfil the stipulated minimum entry requirements:

- ✚ Students of Associate Degree (AD)/ Higher Diploma (HD) in any disciplines (QF L4);
- ✚ Equivalent qualifications or above; OR
- ✚ Mature applicants¹ with either at least three years of work experience in banking and finance or equivalent with a recommendation from the employer.

Remarks:

Please refer to the [accreditation page](#) on HKIB website for more details.

5. Learning Support

HKIB provides learners with a range of support services to help you throughout the learning journey. These services include answering your enquiries, managing the certification process, providing access to library resources, offering study materials, and maintaining an online learning platform. The aim of these services is to facilitate learners and increase the chances of success in the programme and examination. Here are some highlights for your attention.

5.1 *HKIB Resources Corner Support*

The Resources Corner situated at the premises of HKIB provides the required learning resources required for study. Copies of the Recommended Readings are available in the Corner for borrowing. To provide updated learning resources to the members, HKIB has provided FREE internet and library service to the members.

Learners are encouraged to prepare the examination by acquiring relevant market information and module knowledge through various channels, e.g. reference readings, business journals, websites etc. Learners should be aware that such market information may be important and pertinent to the examinations.

5.2 *Market Information Updates*

HKIB regularly organises training courses, CPD programmes, conference, seminars and luncheon talks, industry events on current issues and developments in financial markets that learners may find essential, helpful and relevant to their learning. Besides, HKIB provides members with updated market information through complimentary bi-monthly journal Banking Today, weekly e-news and first-hand internship opportunities.

For more details, please refer to [Events & Industry Initiatives](#) and [HKIB eLearning under HKIB website](#).

5.3 *Mock Examination Paper for Examination Preparation*

To facilitate the learners to get better preparation for the examination, HKIB provides the mock examination paper for the learners as reference to better understand the examination format, structure and approach. Thus, all the questions shared from the mock examination paper will NOT be used in the official examination.

5.4 Learning Consultation Services

For learners require any learning consultation services related to the banking professional qualifications offered by HKIB, they may contact us through our customer service hotline at (852) 2153 7800 for making arrangement.

B. Examination Timetable

- ✚ For latest information about the examination application period and examination dates, please refer to [Examination Schedule on HKIB website](#).

C. Examination Approaches

There are two examination approaches available and candidates may choose either one which is best for them.

- ✚ **Face-to-face Examination:** Traditional face-to-face examinations will be conducted at designated venues arranged by HKIB. Candidates are required to take examinations at specific locations allocated to them accordingly.
- ✚ **“Remote Exam”:** As an alternative to the traditional face-to-face examination, HKIB had introduced an innovative initiative, “Remote Exam”, allowing candidates to take examinations from their homes or workplaces with own computer equipment and internet access. “Remote Exam” offers greater flexibility in terms of location and time saving on travelling for our candidates without jeopardising the quality standard of assessment.

Measures will be taken to align the same standard of fairness and effectiveness as that of the traditional face-to-face examination. A two device-approach will be adopted with one computer, either desktop or laptop, to access the “Remote Exam” platform for the examination and a mobile device, either smartphone or tablet, for invigilation and monitoring. Authentication of identity and real-time virtual invigilation will be conducted hassle-free with an automatic remote system to ensure the highest degree of integrity and data security.

To ensure smooth examination operations, candidates opting “Remote Exam” are required to participate in the “Rehearsal Practice Examination” to be held by HKIB before eligible to attend the formal examination. This arrangement will facilitate the candidates to get better preparation and understanding on the logistic arrangement of the “Remote Exam”.

D. Examination Application

- ✚ Candidates taking current training classes can choose to sit for the current examination or any subsequent ones. They can choose to sit for subsequent examinations but if the corresponding programme has been changed or updated, they may be required to re-take the training in order to be eligible for module examination.

- ✚ Applicants can submit the application via the electronic application form in HKIB webpage. Attention should be paid to the application deadline or a late entry fee will be charged.
- ✚ The information provided on the application form must be true and clear.
- ✚ Late examination enrolment will be accepted after the stipulated application deadline up to 14 days before examination date, to allow us to administer the application. A late entry fee of HKD200 (in addition to the examination fee) will apply.
- ✚ Inaccurate or incomplete applications may not be accepted even if the applicant has paid the examination fee.
- ✚ Under no circumstances are changes to module entry allowed.
- ✚ HKIB reserves the right to reject late applications and / or any applications deemed inappropriate. Once HKIB has received the application form, NO alterations to the examinations and examination arrangements are allowed.
- ✚ HKIB reserves the right to change examination dates and application deadlines at any time.
- ✚ Applicants are advised to retain a copy of the completed application form for their own records.

E. Examination Fee and Payment

<i>Module</i>	<i>2023 Examination Fee per module #</i>

- ✚ Candidates are required to print a copy of the Attendance Notice on a sheet of plain A4 paper before attending each examination.
- ✚ Candidates **MUST** present their Attendance Notice at the examination along with a valid identification document (e.g. an HK Identity Card or passport) bearing a current photograph. Photocopies are not accepted.
- ✚ For candidates attending “Remote Exam”, details regarding the prerequisite “Rehearsal Practice Examination” will also be attached.

G. Alteration/Transfer of Application for an Examination

- ✚ HKIB reserves the right to cancel, postpone and / or reschedule the examination.
- ✚ If an examination is rescheduled, HKIB notifies candidates of the new date and time via email within 1 week of the original schedule. Under such circumstances, candidates are not required to re-register for the examination.
- ✚ Under no circumstances are any changes to or transfers of examination application allowed.

H. Examination Arrangements for Candidates with Special Needs

- ✚ Candidates with special needs may request special examination arrangements. Under these circumstances they are required to submit documentary evidence, such as medical proof issued by a registered medical practitioner, together with a written request, when applying for the examination. Approval of the request is subject to final HKIB decision.
- ✚ Request for such arrangements may result in an additional charge.

I. Examination Preparation

- ✚ Candidates enrolled in the examination are required to study all the essential, recommended and further reading material, if applicable, as part of their examination preparation.

J. Examination Results

- ✚ For Module 1 to Module 3 examination, candidates receive a result slip by email within two to four weeks after examination result released through the HKIB online platform. For Module 4 to Module 5 examination, candidates receive a result slip by email in around eight weeks from the examination date. the result will be released within six to eight weeks from the examination date.
- ✚ Candidates may check their examination results online through the HKIB online platform. Candidates will receive email notification once the examination results are available. The online examination results will be removed one month after they are released.
- ✚ Results are withheld from candidates who have not paid in full any monies due or payable to the Institute, including but not limited to examination application fees.
- ✚ Candidates may request rechecking or remarking of their examination scripts within one month of the issue of examination results by submitting a written request. An administrative fee may apply. Please contact HKIB staff for details.

K. General Examination Regulations

An examination is governed by the regulations in force at the time of the examination and not at the time of application, in case there are discrepancies between the two sets of regulations.

On all matters concerning interpretation of the regulations, the Professional Standard and Examination Board of the Institute has the final decision.

- ✚ Candidates must complete the training class before taking the examination.
- ✚ The examination is conducted in English.
- ✚ Candidates must use an HB/2B pencil to answer the multiple-choice questions on the Answer Sheets.
- ✚ Examinations are conducted and invigilated by responsible persons appointed by HKIB.
- ✚ Examination Attendance Notices are sent to candidates via email **ONLY**. Candidates are required to print a copy on a plain sheet of A4 paper and **MUST** present their Attendance Notice to each examination, along with a valid identification document (e.g. HK Identity Card or passport). Attendance Notices are collected by the invigilators before the end of the examination, if necessary.
- ✚ Candidates should arrive at the examination venue at least 15 minutes before the start.

Candidates must not enter the examination room until instructed to do so.

- ✚ Candidates are not allowed to sit for the examination if they are unable to present Attendance Notice/valid identification document, or if the identification document does not contain a clear and current photograph of the candidate.
- ✚ All examinations begin at the time stated on the Attendance Notice. Latecomers may be admitted during the first 30 minutes of the examination, but extra time will not be given to compensate for any time lost.
- ✚ Smoking, eating, and drinking are not allowed in the examination room. All mobile phones and other electronic devices must be switched off and placed in a location advised by the invigilator before the examination begins.
- ✚ All bags, books and other personal belongings must be placed in a location advised by the invigilator, before the examination begins.
- ✚ If you need to go to the toilet during the examination, you should seek permission from an invigilator. An invigilator will accompany you and you must NOT carry any mobile phones, other electronic devices, question books, answer sheets or other papers to the toilet.
- ✚ No other aids, such as books, dictionaries, computers (e.g. notebooks, PC tablets) or papers are permitted in the examination. No draft paper is provided during the examination. Rough workings or notes should be made on the question book and will not be marked.
- ✚ The packets of question papers are opened in the presence of the candidates before the start of the examination. Candidates should remain silent and are not allowed to communicate with other candidate during the examination. Candidates interfering with the proper conduct of the examinations are warned by the invigilator or expelled from the examination room in a serious case. Under such circumstances, a report is submitted to HKIB to consider whether disciplinary action should be taken. Disciplinary action includes, but is not limited to, candidate disqualification.
- ✚ Candidates cannot leave the examination room during the first 45 minutes and the last 15 minutes of an examination. Candidates who decide to leave early must notify the invigilator as quietly as possible and are not allowed to re-enter the examination room.
- ✚ Candidates must stop writing when instructed to do so by the invigilator.
- ✚ Candidates must not detach any part of their answer sheet, or remove their answer sheet, wholly or partly, from the examination room.
- ✚ Candidates are not allowed to communicate with other candidates during an

examination. They are also prohibited from communicating with third parties outside the examination room by using any electronic device. The invigilator has the right to expel candidates from the examination room if their behaviour interferes with the proper conduct of the examination. Any candidate attempting to copy from another candidate's script or any other source is disqualified.

- ✚ If any candidate infringes any of the above regulations, he/she is liable to disciplinary actions, including disqualification.

D. Certification and HKIB Membership Regulations

It is mandatory for all individuals to maintain a valid membership status with HKIB if the applicants want to apply for and maintain certification and be subject to HKIB membership governance.

Once an application is processed, the membership subscription and registration fees are non-refundable and non-transferable.

The name of the member to be entered on HKIB's records is that on the certification application form. This name, and the order and spelling in which it is presented are used subsequently on all transcripts, pass lists, diplomas, and certificates except where a member has

notified HKIB of any change. Such notification must be accompanied by a certified true copy¹ of documentary confirmation, e.g. Hong Kong Identity Card, birth certificate, statutory declaration, etc.

Certification holders are bound by the prevailing rules and regulations of HKIB. They are abide by HKIB's rules and regulations in HKIB Members' Handbook. Certification holders are required to notify HKIB of any material changes to any information provided and responses made in certification application, including their contact details. HKIB may investigate the statements certification holders made with respect to applications, and applicants may be subject to disciplinary actions for any misrepresentation (whether fraudulent and otherwise) in their applications.

E. Membership Reinstatement

Members who have not paid the membership/certification fees when due shall be considered as default members and are not entitled to use any HKIB Professional Qualification and neither may call themselves members of the Institute.

Default members who reinstate their membership with HKIB are required to pay the current year's subscription plus a re-registration fee. Once the membership reinstated, the member's examination record, if any, is reactivated.

¹ Submitted copies of documents to HKIB must be certified as true copies of the originals by:

- HKIB designated staff; or
- HR / authorized staff of current employer (Authorized Institution); or
- A recognised certified public accountant / lawyer / banker / notary public; or
- Hong Kong Institute of Chartered Secretaries (HKICS) member.

- The certifier must **sign** and **date** the copy document (printing his/her **name** clearly in capital letters underneath) and clearly indicate his/her **position** on it. The certifier must state that it is a true copy of the original (or words to similar effect).
