HKQF - Vocational  
Qualifications Pathway  
for the banking industry

## Programme Introduction

Certified Banker (CB) Programme is the flagship banking-oriented professional qualification programme of HKIB that offers a broad range of general, specialist and strategic skillsets to practitioners and is the first professional banking qualification in Hong Kong accredited at Qualifications Framework Level 6 – equivalent to that of a master's degree. It aims to promote a common qualifications benchmark to provide practitioners with better career prospects and a clear career advancement pathway.

This programme has multiple entry levels for people from diverse backgrounds, including:

Direct Entry to CB (Stage II or CB Stage)	CB (Stage I)	CB (Stage I)
<b>Current practitioners</b> looking to enhance their knowledge and skillsets for their professional development and career advancement.	<b>Talent from outside</b> of banking who would like to switch their career to the banking sector.	<b>Students</b> who would like to gain an edge when hunting for a job in the banking industry upon graduation.

## Key Features

Certified Banker (CB) Programme offers learners dynamic learning experience with various key features:

### Internationally recognised professional qualification

Appointed by the Education Bureau (EDB) as the Professional Qualifications Assessment Agency (PQAA) in 2020 for the banking industry, and in collaboration with different institutions and professional bodies around the globe.

### Ever-enriching syllabus to keep learners abreast of up-to-date knowledge

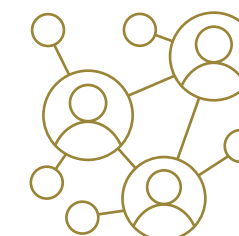

### ECF integration

Recognised by the Hong Kong Monetary Authority (HKMA), most Enhanced Competency Framework (ECF) programmes are integrated into Certified Banker (CB) so that ECF holders can apply for module exemption.

### Multi-entry points

### Build your professional network

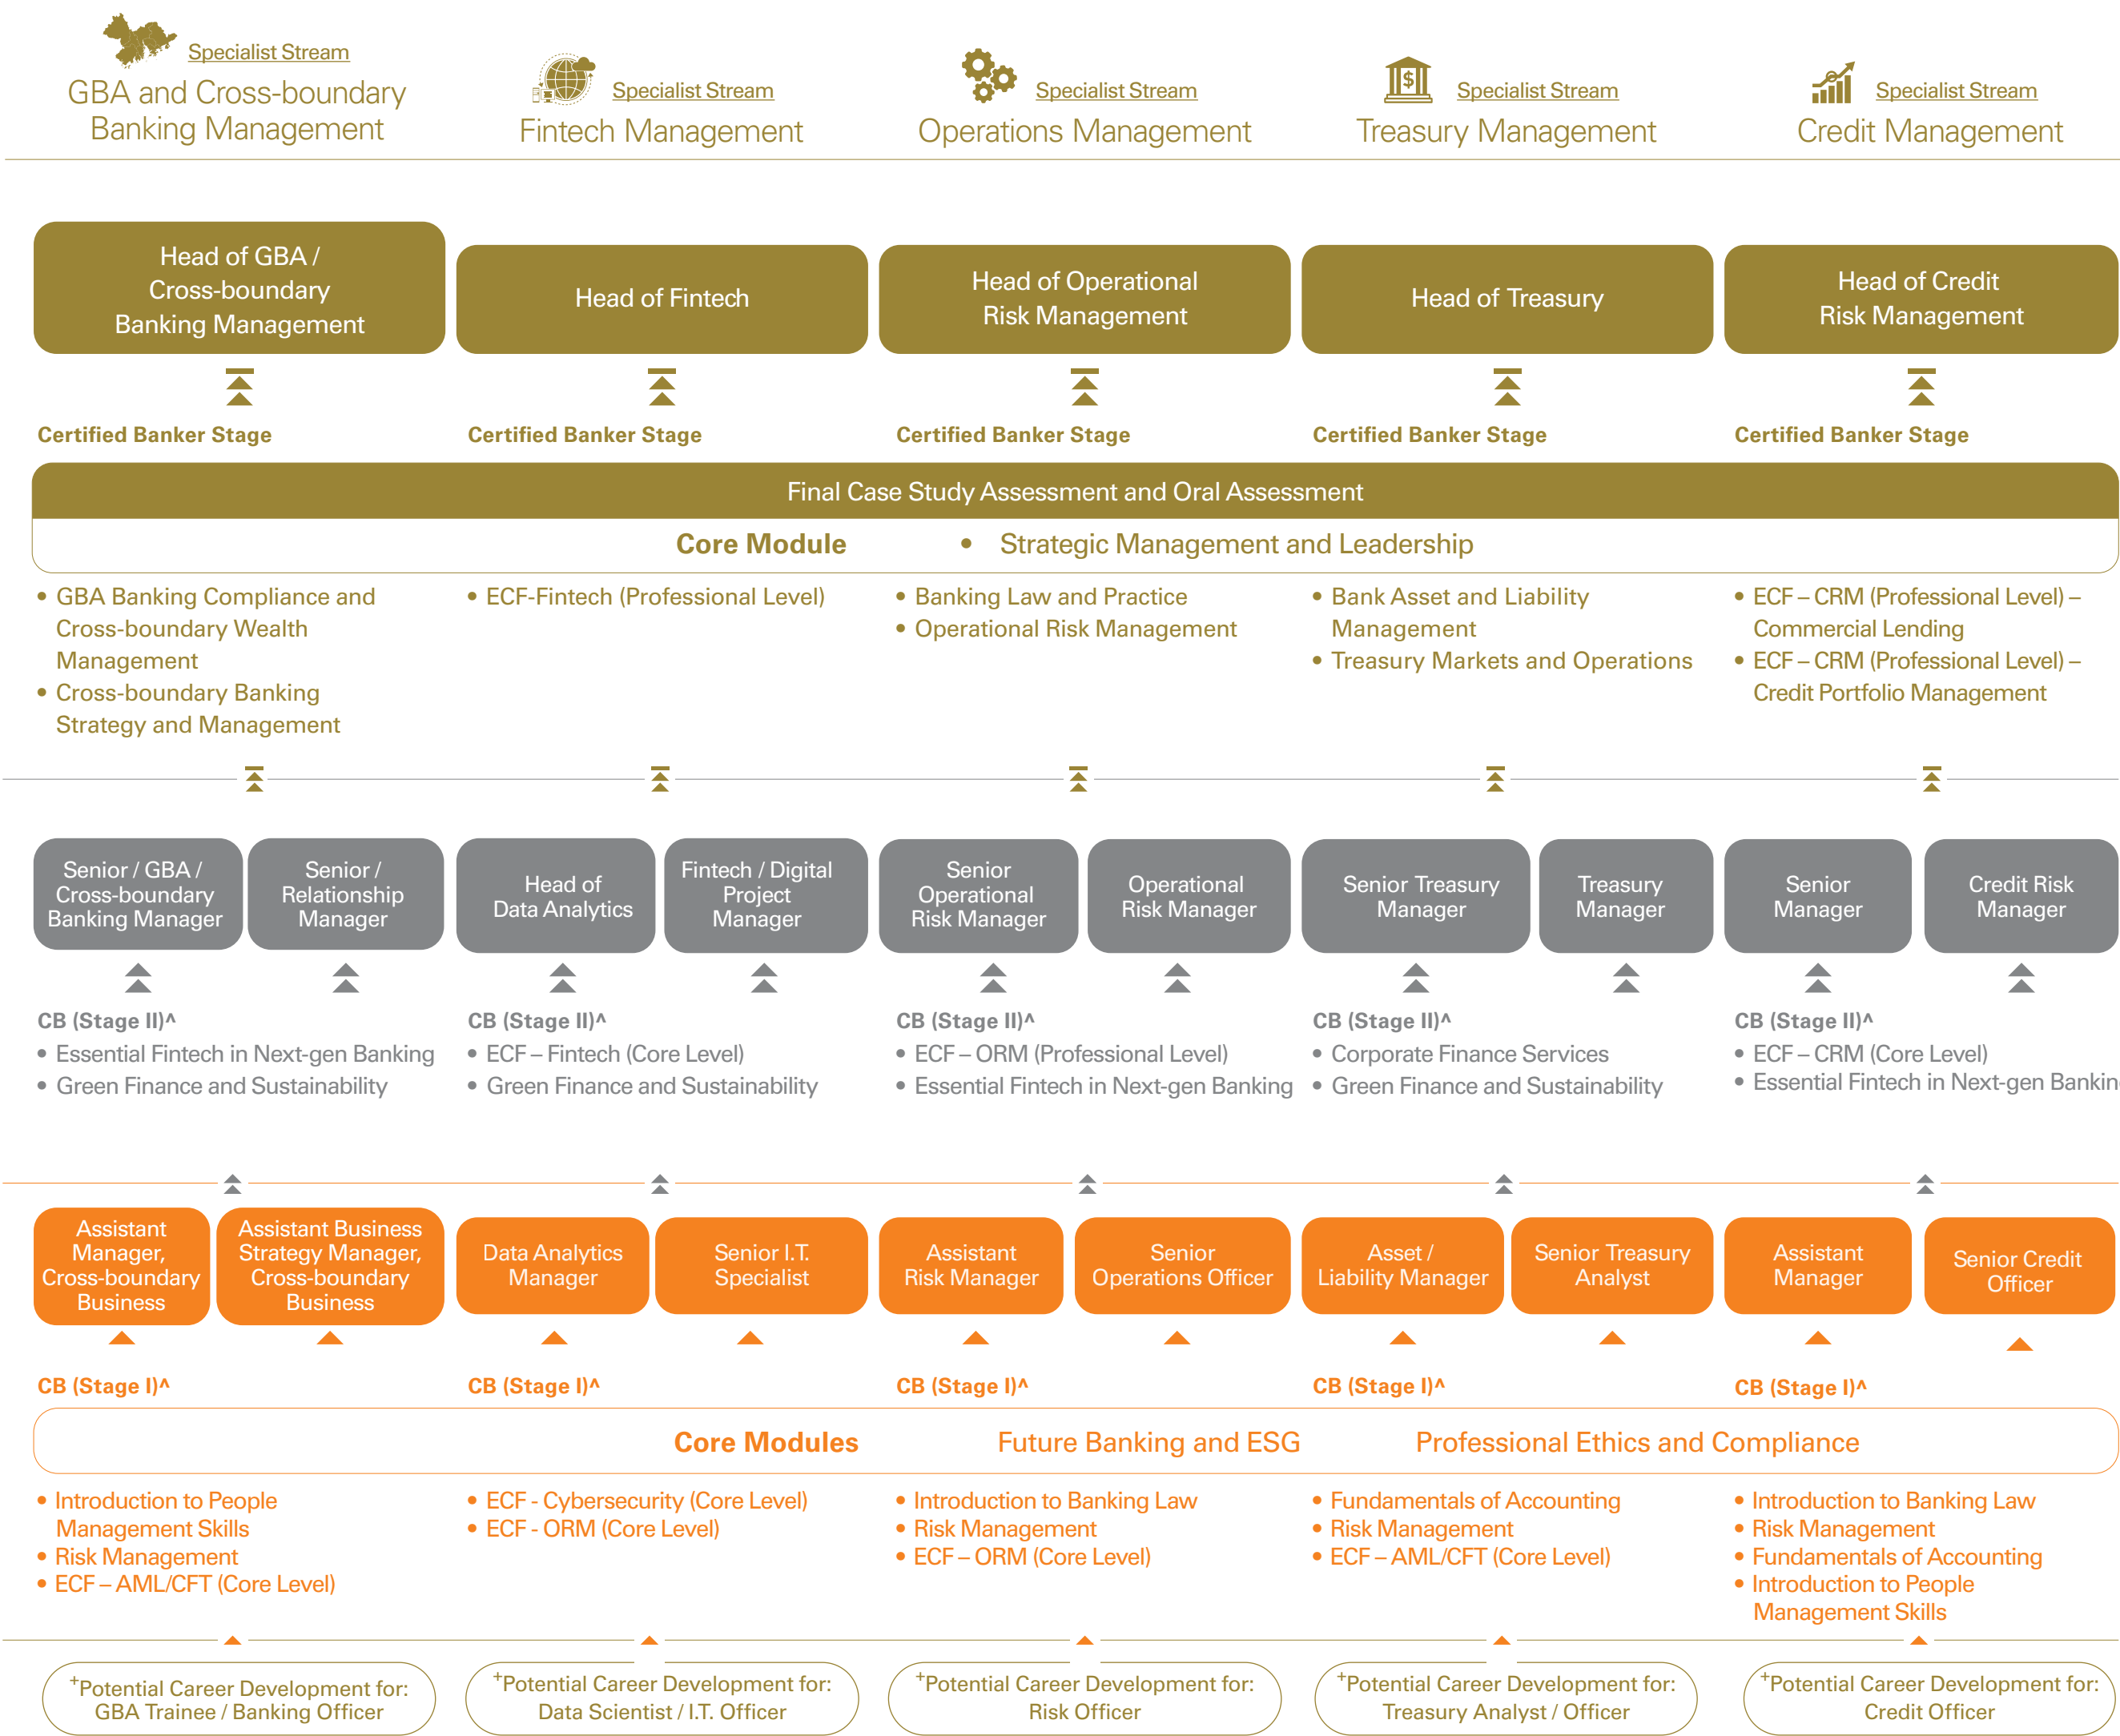

### Become holistic banking professional for career advancement
