Speaker Introduction

The speaker is a distinguished energy economist and sustainability thought leader, holding a PhD from the University of Cambridge and an Executive MBA from the Thunderbird School of Global Management. He also received executive education in Sustainable Finance and Strategic Management at the University of Cambridge and Harvard University, respectively. He has international publications in Energy Policy, ESG Disclosure, Built Environment, Green Manufacturing and Business models.

As an Accredited Trainer of the UNSDG Impact Standards, the speaker is renowned for delivering high-impact executive education and board-level training on climate risk management, carbon neutrality, and green banking and insurance. He serves as the CEO of the World Green Organisation, where he provides advisory to governments, international organisations and leading corporations on ESG strategy, global environmental policy and sustainable development framework..
