SOUTHBOUND BRIDGING PROGRAMME

For the **Enhanced Competency Framework -
Associate Fintech Professional &
Shenzhen-Hongkong-Macau FinTech Professional
Programme Level One Certificate**

Programme Objectives

Facilitated by the **Hong Kong Financial Services and the Treasury Bureau, the Hong Kong Monetary Authority and the Shenzhen Municipal Financial Regulatory Bureau**, HKIB and SHMFTPP signed a cooperation memorandum of mutual recognition, expanded the professional qualifications mutually recognised between Mainland China and Hong Kong, aiming to strengthen the movement of financial talent within the GBA and achieve broader financial cooperation.

Participants may obtain **CPFinT(A)/ECFAffiliate*** upon completion, opening up career opportunities in Hong Kong's banking industry.

Programme Highlights

- Development of Fintech and Regtech in Hong Kong
- Application and Trends of Fintech in Hong Kong Banking
- Risk Management and Regulatory Compliance
- Analysis, Development and Management of Fintech Product
- Fintech Tools and Applications
