

## Overview

Jointly organised with the Mandatory Provident Fund Schemes Authority (MPFA), this seminar provides an overview of the latest developments of the MPF System following the full operation of the eMPF Platform, which represents the most significant reform since the System's inception. Participants will gain insights into how eMPF is reshaping MPF administration and learn about key reform initiatives in the new era, including MPF Full Portability, enhancements to the Default Investment Strategy, and other measures to promote scheme members' interests under an increasingly digitalised regime.

## Agenda

- Transformation of the MPF System under eMPF: how the eMPF Platform is reshaping MPF administration
- Selected Reforms in the New Era: eMPF's as an impetus to implementation of MPF Full Portability, enhancements to the Default Investment Strategy and other key reform initiatives

## Who Should Attend?

- Bank managers and executives responsible for MPF, retirement planning, human resources, compliance and wealth management
- Graduate trainees and management trainees, as well as professionals involved in pension administration, human resources, compliance, digital transformation, or relationship management roles
- Student Members planning to pursue careers especially in financial planning, retirement services, human resources, compliance, wealth management, or related financial services fields
