

ESG and Sustainability Initiatives in Banking Industry

In collaboration with:

AICPA & CIMA
Together as the Association of International
Certified Professional Accountants

Overview

In collaboration with the AICPA & CIMA, this seminar will explore how enterprise management can leverage Environmental, Social, and Governance (ESG) principles to unlock business value and improve financial outcomes. Key highlights include the real-world business case for ESG, the regulatory landscape and compliance requirements, effective risk management and resilience strategies, innovative financing solutions, and highlighting proven best practices and measurable impact. Additionally, the seminar will discuss future trends in ESG and sustainability, providing valuable insights for organisations looking to integrate these principles into their operations.

Agenda

- **Understanding the ESG Landscape:** Examine current regulations impacting ESG and sustainability in finance
- **Strategic Integration of ESG:** Align ESG principles with corporate finance strategies
- **Driving Financial Performance through ESG:** Explore how ESG initiatives contribute to long-term financial value
- **Spotlight:** Discuss ESG and sustainability initiatives within the banking sector

Who Should Attend?

- Bank Managers or Executives in Sustainability, Corporate Finance, Risk, or Compliance, who want to stay ahead of ESG regulations and discover how ESG can drive long-term financial performance
- Graduate or Management Trainee in Green Finance, Risk, or Compliance roles
- Student Members who want to explore a career in Sustainable Finance
