Programme Outline

1. Hong Kong's gold market development strategy and industry outlook
2. Exploring banking business opportunities related to the Gold Hub Development Strategy under the HKSAR Government's Five-Year Plan
3. International banking practices in supporting the gold industry
4. Key risk consideration in gold and commodity financing
5. Case Study

Speaker Introduction

He has over 20 years of experience in corporate finance and risk management field in leading international US and European corporate and investment banking. He possesses extensive experience in corporate finance for pre-IPO companies and fund-raising activities for Hong Kong-listed companies through network of leading international investment and corporate banks. With a strong background in credit risk, he is extremely familiar in banking products, including both loan and treasury products. He specialises in arranging banking facilities, both bilateral or syndicated, matching the funding needs of listed corporates (mid-cap or blue chips) in Asia. Currently, he is a Director of a Hong Kong-listed company.
