

Module Outline

Certified Banker (Stage II)

Green Finance and Sustainability

Benchmarked HKQF Level:	5
No. of Credits:	30
Total Notional Learning Hours:	300
a) Class contact hours:	15 hours (3-hour per session x 5)
b) Self-study hours:	282 hours
c) Assessment hours:	3 hours
Pre-requisite:	NA

Module Objective

This module aims to develop candidates' comprehensive knowledge, skills and understanding relating to green finance and sustainability and the relationship between green and sustainable finance and ESG. With the study of internationally-recognised as well as local banking principles and practice in the full spectrum of green finance and sustainability, together with guidelines from local regulator and case studies, learners will be able to understand how to help bank deliver its strategy, perform well at work, serve customers, communities and the wider environment to manage climate-related risk, and support the transition to a low-carbon and sustainable world with the provision of green and sustainable finance.

Module Intended Outcomes (MIOs) and Units of Competencies (UoCs)

Upon completion of the Module, candidates should be able to:

MIOs	Intended Outcomes / Competence	*Unit of Competencies (UoCs)
MIO-1	Assess the latest development, governance factors, good practices and market trends in Green Finance and Sustainability to meet the transformation and changing needs in the banks and financial institutions.	107465L5 109252L5 109268L5 109269L5
MIO-2	Analyse the major green debt financing instruments.	109415L5
MIO-3	Evaluate different factors relevant in ESG investing, the application of ESG valuation in equity and bonds, and the ESG consideration in the investment process.	109443L5

MIO-4	Utilise the major green finance certifications and ESG ratings being used in the market to different development and operational processes.	
-------	---	--

**Note: For the details of the UoCs, please refer to the Specification of Competency Standards (SCS) of [Retail Banking](#) and [Corporate & Commercial Banking](#) which were developed by HKCAAVQ.*

Assessment

Examination duration:	3 hours
Examination format:	Multiple Choice Questions (MCQ) with 50-60 questions and 2 out of 3 essay questions
Pass mark:	60%

Syllabus

Chapter 1: Overview of Green Finance and ESG	
1.1	Introduction to ESG
1.1.1	- What is ESG
1.1.2	- ESG Strategies
