Declaration of Completion of Training Programme

[For Enhanced Competency Framework on Green and Sustainable Finance (ECF-GSF)

Training Module Exemption Only]

I, _____ (Name of the Candidate) confirm that, prior to the examination for

- ☐ * Module 1: Introduction to Sustainability,
(Examination Date: _____)
- ☐ * Module 2: Fundamentals of Green and Sustainable Finance,
(Examination Date: _____)
- ☐ * Module 3: Sustainability Risk in Banking,
(Examination Date: _____)
- ☐ * Module 4: ESG/Sustainability Strategy, Disclosures and Reporting,
(Examination Date: _____)

I had completed the following in-house training programme organised by an Authorized Institution (AI) with substantially overlapping syllabus coverage with that of the ECF-GSF and would like to be exempted from the training requirement of that relevant module under the ECF-GSF.

Name of the In-house Training Programme: _____

Name of the Organising AI: _____

Name of the Programme Provider (if any): _____

Commencement Date: _____

Duration: _____

I understand that prior to the issuance of the certificate of completion for the ECF-GSF module concerned, I would be required to submit this Declaration Form to HKIB within 10 working days and to provide relevant proof for the completion of in-house training upon request by HKIB whenever necessary.

Use of Personal Data in Direct Marketing

I do not wish HKIB to use my personal data in direct marketing relating to HKIB's training programmes, examinations, professional qualifications, membership services, events, publications and professional development opportunities through the following channel(s) (please "✓" to select):

Unless otherwise indicated above, HKIB may continue to use your personal data for direct marketing through the relevant communication channels in accordance with its Privacy Policy Statement.

Digital Credential Verification Preference

HKIB operates a Digital Credential System (DCS) that enables authorised employers and other authorised verification parties to verify professional qualifications and certifications awarded by HKIB. Unless you opt out below, HKIB will make the following credential information available through the DCS for credential verification purposes:

- Qualification achieved
- Certification status
- Award date
- Certification validity status

The purpose of this disclosure is to facilitate professional credential verification.

Please note that if you opt out, authorised verification parties may not be able to verify your HKIB credentials through the DCS. You may change your preference at any time through MyHKIB.

☐ I do not wish HKIB to disclose or verify my credential information through the DCS.
