

# Certificate in Blockchain & Digital Asset (B&DA) Competence

## Overview

This is a 15-hour training programme themed “Blockchain & Digital Assets Talent Foundation Knowledge for Digital Assets Business”, jointly organised by Cyberport, FORMS HK, and HKIB.

This programme equips financial practitioners with a strong foundation in blockchain and digital assets. Participants will learn to classify products, understand regulatory requirements in Hong Kong, assess risks in custody arrangements, explain wallet and custody models, and manage incident response. The course prepares them to make informed recommendations and strategies in a rapidly evolving market.
